Grechen: Thanks for quick work here. Responding in kind, I made some quick changes, as attached, not pausing for redline.

Please let me know if any questions.

Thanks.

Subject: Draft Agenda

Here's the draft agenda. I wasn't sure who would speak for the Tribe and County during the Site assessment section, but put in my suggestions.
Look closely at the Proposal section to ensure I captured what we wanted them to think about.

Grechen F. Schmidt
